- **Coaching Focus**
 - To create an environment where academic and athletic excellence are experienced at a high level.

Values & Expectations

- **Values**

- Respect
- Discipline
- Hard Work

- **Expectations**

- To make **Championship Choices** - These are the hard choices that may require some sacrifices. These are choices that are above and beyond day-to-day decisions to go against what is popular and cool among peers and to focus on the path of great success.

Locker Room / Discipline

- No Hazing Policy (AIA, CUSD, School Level and Program)
- No Bullying
- Doesn't matter how small or big – Zero Tolerance Policy
- Locker Room Culture
- Knowing the athletes (relationships)
- Open Door Policy
- All athletes are issued a lock
- Discipline (if an athlete can't discipline oneself then a coach must)
 - Situational Discipline (*Isolated or Team*)
 - We can all learn from an isolated incidence
 - **Example:** why did Mitchel have to run for Johnny's mistake? The answer: Mitchel may think twice now if ever put in that same position.

 - Position

PLEASE UNDERSTAND:

- **The Team must come before the individual**
 - The coaching staff will objectively assess each player's ability within the context of our team to place our team in the best position to be successful as a whole and to put your son in what we believe is the best position(s) for him to blossom.
- **Position/Play Time Concerns/etc.**
 - If your son would like to play a specific position or is concerned about anything involving game and team strategy, playing time, touches of the football, etc.
 - **Parents...DO NOT come to any coach about this, but have your son MAN-UP and bring his concern(s) to coach directly.**

Best Way to Approach Coach

- “Coach, what can I work on to help my team be more successful?”
- “Coach, what can I work on to get better at _____ so I can earn a spot on _____?”
- “What positions do you think I can help my team the most?”

Parent Expectations

- Uphold our Team Philosophy
- Adhere to the rules and policies of our league
- Be respectful of one another & our Casteel families
